The Proposals

NLCS is preparing to submit a hybrid planning application to Harrow Council this summer. This will be for a 20-year masterplan with works to take place in three phases. This includes:

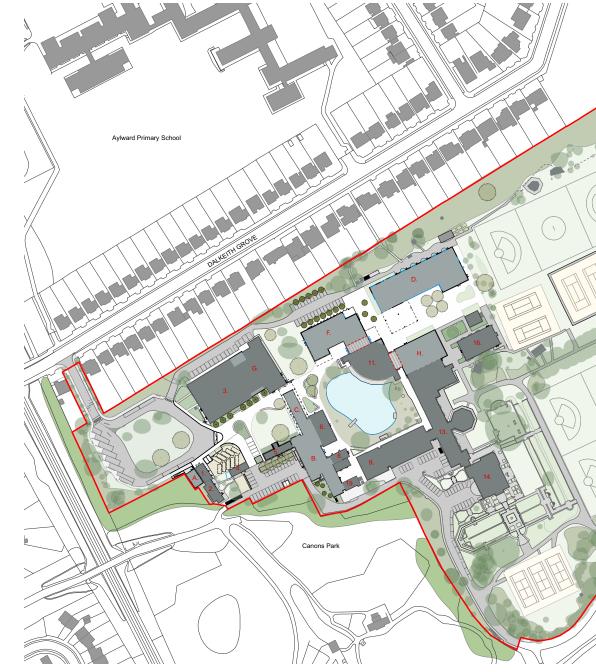

Phase 1 (Detailed Application)

- Improve the existing entrance to the School to provide a welcoming and secure entrance that leads to a new reception/administration building;
- Create an IDEAS Hub (Innovation, Design, Engineering, Art and Sciences Hub) to promote learning in Science, Technology, Engineering, Art and Mathematics;
- Extend the Tractor Barn to support facilities management and maintenance operations; and
- Provide two additional tennis courts.

Phases 2 & 3 (Outline Application)

- Improvements to the Canons Sports Centre;
- An expansion of the Performing Arts Centre and the Music School to include music classrooms, drama studios, and a dedicated performance space for music;
- Additional teaching classrooms; and
- Re-building the Junior school.

The subsequent phases of the masterplan (2 & 3) will be developed in detail and subsequent applications made to the Council over the next 20 years.

Illustrative Masterplan

North London Collegiate School

- 1. Tractor Barn
- 2. Canons Cottage
- 3. Canons Sports Centre
- 4. Outhouse
