THE GIFT OF A LIFE-CHANGING EDUCATION

Bursaries hold a very special place at North London Collegiate. The School was built on generosity and the belief that education has the power to transform lives. To mark the extraordinary contribution of Bernice McCabe OBE to North London over her twenty years of Headship (1997-2017), the School has named the Bursary Fund in her honour.

Bringing bright and able girls together from different backgrounds is important for us all. It enriches the whole community and reinforces the aspirational and inclusive ethos of the School. It also confirms the belief that success in life is not limited by your circumstances, but is the product of your own endeavour and ability. Over 70 students annually receive some form of bursary provision and, with your help, we are seeking to increase this so 10% of our Senior School students receive a full bursary.

We want to do all we can to give as many girls as possible the opportunity to make the most of their talents, and would like to increase our bursary provision to enable even more girls to come to North London on a bursary. Transforming young lives is something I care passionately about.

We are really grateful for the support of Old North Londoners, parents, Friends of North London, trusts and companies, which enables us to offer means-tested bursaries to girls from all backgrounds.

Thank you for your support.

BERNICE McCABE Bursary Fund

Central to the ethos at North London Collegiate School is the provision of bursary places to allow bright girls to benefit from the world-class education on offer. Since its foundation in 1850, North London has been committed to providing an accessible, affordable education for able girls.

Bursary support is offered for up to 100% of fees. Funding is means-tested, and is awarded to girls entering Year 7 or Year 12. We also support families with girls in Year 10 who are experiencing financial hardship and cannot meet the full cost of school fees.

Unlike many independent schools, North London does not currently have an endowment and is dependent on philanthropic support to help raise money for bursaries and other important projects.

Your Support of The Bernice McCabe Bursary Fund

.....

We are grateful for gifts of all sizes, and it is our hope that The Bernice McCabe Bursary Fund will ensure that we continue to welcome a whole range of deserving girls into our community. We are always particularly appreciative of gifts that are part of a multi-year pledge, as this allows us to plan for the future with confidence.

Our aim is to offer full bursaries to 10% of our students, which will be truly transformational for so many girls. We do hope you can you support us.

“

We are really grateful to the bursary scheme as it meant that our daughter could go to this wonderful school. The scheme provided support to us at a difficult time. She is now in the Sixth Form and has loved her time at North London Collegiate.

“

My two sisters and I attended NLCS as Music Scholars and beneficiaries of the Bursary Fund. We were fortunate to be supported through each of our Senior School careers as full recipients of bursaries.

Our parents would not have been able to afford the fees unassisted. The Bursary Fund allowed us to attend one of the UK's top schools all because of the generosity of donors. I'm not sure many will know that they supported an entire family through their Senior School education. We have all now graduated from university; two are lawyers and I work in finance. We are so grateful to the School for the opportunities it gave us, and for the doors the School has opened for our future.
